*In re: Application of Duke Energy Carolinas, LLC for Adjustments in Electric Rate  
Schedules and Tariffs and Request for an Accounting Order  
Docket No. 2018-319-E*

Dear Ms. Boyd:

If it pleases the Commission, South Carolina State Conference of the NAACP, South Carolina Coastal Conservation League, and Upstate Forever (“Intervenors”) would request that the Commission allow the testimony and exhibits of Intervenors’ witness Jonathan Howat to be placed into the record without the witness being required to appear in person at the hearing that began on March 21, 2019, in the above matter. No party has objected to this witness’s testimony being read into the record as if there in person, and no party has indicated a need for cross-examination.

Sincerely,

David Neal  
Senior Attorney
